dow of " Alan Dale's" Theatre.

Theatre Yet.

But Here Is What He Promises When He Becomes a Manager.

bould ever nominate me the lessee of a theatre—the idea is purely supposititious and emably absurd-I shall try and make things very pleasant for you, my patrons shall not worry about the handsome facade that casts an air of respectability upon the entire street, nor shall I advertise my superior fireproof appliances, just as though the first thing an audience expected, and for my marble lotby, adorned with works of art, and a few musty old masters—a fig for it! "The Ironmaster" and "Impulse."

playing a repertors. He wonders what would for my markle to thoy, address with a work of my markle to thoy, and how markle bother to the best play to see, and howers are understanding the best play to see, and howers are understanding the best play to see, and howers are understanding the best play to see, and howers are understanding the best play to see, and howers are understanding the best play to see, and howers are understanding the best play to see, and howers are understanding the see and the see they become interrogative or in the least spared. Oh, yes, mamma, certainly.

at her in ley disdain. "Look for yourself," he said, "here's the

diagram. If we had tolks like you here all growt and grunt and squirm and splurge. day we might as well shut up shop. These It you don't believe me, wait until my be women," he added, turning to an invisible is built and see for yourselves.

"Well, I must take the scats, I suppose, dire disaster, anything, when there is theatre to visit; "If I don't like them, pe haps you will let me change them, provided that there be others returned."

No answer at all. The fragrant boy was she hates the theatre. She tells her friends she will, but they do not know it), and a big,

Occasionally a manager even encourages rough words. At a theatre that is very downman, who was feroclous enough, goodness a district. The doctors will be on duty in their districts and its suburbs."

The doctors will be on duty in their districts eight hours each day. The corps has two women doctors, Miss Sophie F. Unger and cholerine, which has been prevailing in the manager. manager would dilate explosively upon the erior advantages of his house, its gorge electric lights, its brand-new drop scene, and would even say on his programme that incivility on the part of ushers must be reorted. The probability is that the box-office end has sickened people so completely before they entered the theatre that a little a performance are brought home more

an exquisite appreciation of human frailty hey own! A pity about them! The man who breaks stones in the streets has no such simculties. Why, then, do they not break Stones in the streets?

And now list to me. There will be no man in my box-office. No. sir. not it I know it ... perchance, I can find one who does not think he could manage the nouse better Sessions to-day, and Edward E. Poore, dealer Spatu and Italy for the partition of Morocco. than I could ; who has no ambition for higher in dry goods at 114 and 116 Worth street, things; who is not "selling tickets while was appointed foreman. waiting for something better to turn up;" to has no finger in the theatrical pudding. and who does not look upon every purchaser as a rabid personal enemy, there for the pur-these 74 have already been indicted, leaving pose of preying upon his piece of mind. I leave that leball never discover such a man know that I shall never discover such a man.

My box-office will be managed by a woman MRS. TIETJEN WASN'T IN COURT. -a pretty woman, an educated woman, a chatty woman, and a very feminine woman. But the Husband Produced Her Pic-So when you read this, my little damsels, prepare one day to answer an advertisement I shall put in this journal. You need not come to see me decked in your Sunday frippery, for I shall not care to see you attired for Coney Island, or Rockaway Beach. If you own any figured as principles, Mrs. Tietien did not figured as principles. Mrs. Tietien did not object of modern education—leave them with mommer. If you were them in my box-office folks might think you had found those that the leading lady had lost, and that would specified that will be seen to be the alm and timate with various men.

Put in any delense.
